

RING SIZE GUIDE

Measure Your Finger

To get the best results, before printing this page, make sure the “Scale to fit” option is unchecked in the print dialogue box. Use a ruler to check that the scale corresponds to the scale on the page.

How To Use The Suree Tape Measure

- 1** Please have a tape measure handy.
- 2** Wrap the tape measure around your finger, note the measurement and consult the SUREE ring size chart to determine your ring size.
- 3** Please note for your order that SUREE uses European sizing, that you can also find in the ring size chart.
- 4** If you are hesitating between two sizes, choose the larger one.

* This is for reference only. SUREE cannot be held responsible for any errors that occur as a result of measuring your finger.
